About this list: The course numbers are approximate. Lunch may be cheaper. A few places include gratuity, so not entirely equal comps. **Gratuity included.*

About TheSushiLegend.com: A passion project created in 2012 to highlight the legends of the sushi world and chronicle my travels, TheSushiLegend.com has evolved into a multi-platform media juggernaut (my words) featuring pictures, videos, definitions, way-too-long articles and reviews (and verdicts) on many of the sushiya you see above. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website. 2024 was our best year, thanks to all of you.
