About this list: The course numbers are approximate and can change nightly. Omakase loosely means "leave it to you", so some will ask why non-sushi spots aren't included. My list, my rules. Go enjoy your Ice Cream Omakase at Morgenstern's (a real thing) without me. If you have an addition or an unnecessary complaint, you can email info@thesushilegend.com.

About TheSushiLegend.com: A passion project created to highlight the legends of the sushi world and chronicle my travels, TheSushiLegend.com features pictures, videos, definitions, way-too-long articles and reviews (and verdicts) on many of the sushiya you see above. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website.
