About this list: The course numbers are approximate and can change nightly. A few places include gratuity, so not entirely equal comps. Omakase" loosely means "leave it to you", so some ask why non-sushi spots aren't included; My list, my rules. Go enjoy your Ice Cream Omakase at Morgenstern's (a real thing in New York City) without me. Additions/complaints -> email info@thesushilegend.com

Disclaimer on LA Sushi: One of my favourite aspects of Los Angeles Sushi (compared to, say, New York), is that many more sushiya do not provide a set price or course volume. Rather, they leave it up the customer to indicate when they're finished. Unfortunately, that makes it difficult for a list like this to be completely precise, so save the angry emails for the *sushiya* themselves.

About TheSushiLegend.com: A passion project created to highlight the legends of the sushi world and chronicle my travels, TheSushiLegend.com features pictures, videos, definitions, way-too-long articles and reviews (and verdicts) on many of the sushiya you see above. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website, and access this list directly at LAOmakase.com.
