## ABOUT THIS LIST:

A summary of sushiya with an Omakase in Miami, Fort Lauderdale and Boca Raton. Sushi only – no 'ice cream omakase' affronts to decent society. The course numbers are approximate, and subject to change. Lunch may be cheaper. A few places may include gratuity, so not entirely equal comps. Any additions, email [info@thesushilegend.com](mailto:info@thesushilegend.com). Fair warning – I get lots of crazies, so I don't always respond.

## ABOUT THE SUSHI LEGEND:

A passion project created in 2012 to highlight the legends of the sushi world, **TheSushiLegend.com** has evolved into a multi-platform content juggernaut (my words) featuring pictures, videos, definitions, articles and reviews (and verdicts) on sushiya across the planet. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website, where almost 1 million yearly visitors read forced references to 90s pop culture staples (*The Green Candle* should have won an Emmy). No comps/collaborations please.

Other omakase lists: New York City | Los Angeles | Chicago. TheSushiLegend.com to catch them all.

The list is brought to you by **Ledge Headwear (.com)**, a high-end baseball cap company I founded with some advisors ex of Canada Goose. Our caps are handmade in Northern Italy with one vision: be the first high-end baseball cap only brand. For most fashion houses, caps are an accessory. For *Ledge*, high-quality caps are everything. Nothing more. Nothing less.
