About

TheSushiLegend.com: A passion project created in 2012 to highlight the legends of the sushi world and chronicle my travels, TheSushiLegend.com has evolved into a multi-platform media juggernaut (my words) featuring pictures, videos, definitions, way-too-long articles and reviews (and verdicts) on many of the sushiya you see above. You can subscribe to the irrearular newsletter. **The SushiShinbun.** on the website. 2025 was our best year. thanks to all of you.
