About this list: The information is approximate based on my crack research (eating). Crazy people line up earlier, so the times listed may be too late. Don't say you weren't warned.

About TheSushiLegend.com: A passion project created in 2012 to highlight the legends of the sushi world and chronicle my travels, TheSushiLegend.com has evolved into a multi-platform media juggernaut (my words) featuring pictures, videos, definitions, way-too-long articles and reviews (and verdicts) on many of the sushiya you see above. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website. 2025 was our best year, thanks to all of you.
