ABOUT: A summary of sushiya with an Omakase in Miami, Fort Lauderdale and Boca Raton. Sushi only – no 'ice cream omakase' affronts to decent society. The course numbers are approximate, and subject to change. Lunch may be cheaper. A few places may include gratuity, so not entirely equal comps. Any additions, email info@thesushilegend.com. No crazies allowed.

THE SUSHI LEGEND: A passion project created in 2012 to highlight the legends of the sushi world, **TheSushiLegend.com** has evolved into a multi-platform content juggernaut (my words) featuring pictures, videos, definitions, articles and reviews (and verdicts) on sushiya across the planet. You can subscribe to the irregular newsletter, **The SushiShinbun**, on the website, where almost 1 million yearly visitors read forced references to 90s pop culture staples (*The Green Candle* should have won an Emmy). No comps/collaborations please.

Other omakase lists: New York City | Los Angeles | Chicago. TheSushiLegend.com to catch them all.

Ledge: my ultra-high-quality cap company, handmade in Northern Italy and based in New York. You can find us at the Barney's revival in Naples (breaking news) and online at LedgeHeadwear.com. Nothing more, nothing less.
